

Form No: 602

Request for Quotation

REF: AE/AK/2013/11

Sub: Quotation for supply of: **Honeycomb sections for flow straightening**

We are currently in need of honeycomb sheets for purposes of turbulence reduction in wind tunnels.

We are looking for the following specifications:

1. Cell size = 0.5 inch, thickness (depth) = 5 in, area = 25 inch × 25 inch, 2 sheets.
2. Cell size = 0.75 inch, thickness (depth) = 7.5 in, area = 33 inch × 33 inch, 3 sheets.

If unable to quote for the specified thickness, please quote for the maximum thickness available, for the given cell size.

Please send the quotes in a sealed document to the address mentioned below and a copy to akushari@iitk.ac.in , before Jan 15, 2014.

Best regards,
Sincerely,

A. Kushari
