Enquiry No. : CHE/DK-GD/SERB/2013/02

December 12, 2013

Quotations are invited from interested suppliers for: **Two Back Pressure Regulators (BPR)**.

The technical and commercial bids are to be provided in separate envelopes. The BPRs are for laboratory use in a continuous flow system as per the following specifications.

**Specifications for Back Pressure Regulators:**

*Controlled Pressure:* 3.4 to 30 bar

*Operating temperature:* 25 to 50 °C

*Body:* SS316

*End connection:* 1/4" Swagelok preferred (1/4" NPT acceptable)

*Cv:* 0.08

*Diaphragm:* SS316

Kindly mention about the terms and conditions such as;

- \* Validity of the quotation for a minimum of 60 days.
- \* Warranty period
- \* Mention the FOB rate (if imported).
- \* Special educational discounts, if any.

For indigenous or import items please use the form number 603 or 608 respectively given at

<http://web.iitk.ac.in/dord/rndforms/603.pdf>

<http://web.iitk.ac.in/dord/rndforms/608.pdf>

The quotations are to be sent to the under signed by December 23, 2013. The envelope should mention "QUOTATIONS FOR BPR"
